the last of the Nantucket windmills. The great back beam is supported by a wheel which rests on a stone track. This allowed the mill to be turned into the wind. Once sold for \$25. for firewood, the mill was re-conditioned when the buyer discovered it to be too sound to break up. It is now open to the public as a historical structure.

a straight arm and passing small craft are tossed in the great curling wake of the boat. Unfolding is the shelter of Nantucket Harbor, once the home port of the greatest whaling fleet in the world. Before New Bedford became the world's premiere whaling port, it was Nantucket which bore that distinction. The Nantucket shoals, shifting, churning sand flats, doomed the port by strangling its harbor. The islanders fought with great ingenuity to save their industry. "Camels" were invented and used. The "Camel" was a floating dry dock which lifted the deeper draft whalers between two pontoons and then floated them over the sand bars until they reached the safer deep waters. Even this measure failed finally and the home-bound whalers passed Nantucket by to land their "black gold" on the New Bedford docks.

perous building period, tearing down the old and replacing with the new, Nantucket was always in a depression. Due to this, Nantucket emerges as the most perfectly preserved colonial village in the United States. Not only is it preserved, but, since it was a thriving metropolis of that period, it can easily absorb the huge influx of summer residents who flock to the island to enjoy its charm.

The dock area, once seedy, has been restored beautifully. The waterfront is surrounded by parks and walks with gas lanterns to light the way at night. The cobblestoned street which leads upward from the dock is dappled with splashes of shade from many trees. Everywhere, brick sidewalks are now being built. The old homes are clustered close as was the custom in 18th century America. Each reflects the individuality and taste of its builder (and

All you do is spread Scotts COPE PLUS on your lawn. It clears out a variety of lawn insects at the same time it full-fertilizes your lawn to greener beauty. Gets rid of even the toughies like sod webworms, chinchbugs, ants and beetle grubs.

### KILLS MOSQUITOS AND TICKS

Results are amazing — as insects disappear your fertilized grass grows greener, thicker, sturdier. So if you'd like to make insects stop where *your* lawn begins, spread dual-action COPE PLUS. This weekend would be fine.

The Olde Gaol - this ancient lockup was completed in October of 1805 for the sum of \$2,090.49. It is the oldest penal institution in New England. It is built of logs bolted with iron. It is 26 feet by 16 feet wide. It was last used in October, 1933. The prisoner, Charles Freeman, called for water, struck the jailer on the head with a brick from the fireplace and escaped. It is believed he was smuggled off the island in a laundry basket.

COMMEMORATIVE GIFT  
DIRECTOR'S CHAIR

# LET'S ALL HELP TO BUILD A BETTER BANDSTAND

During the late part of July and early August, as many Mattapoissett residents as possible, all of them interested in the town and active in its cause, will be contacted with an invitation to make a contribution to help defray the cost of building a bandstand.

A contribution of \$35.00 or more will bring the donor a commemorative gift of a director's chair. Each chair will bear a tri-color imprint of the new bandstand.

Since only ninety-six of these chairs will be available, the Committee is sure that they will be prized and, in time, become items of historical significance. They will be readily recognizable and will distinguish the owner as an active participant in the civic work of constructing our new bandstand.

To be certain of inclusion on this limited list of chair recipients, you may call the Symphony Shop, telephone 758-6977, where one of these chairs will be on display.

This bandstand is a community project to be enjoyed by all residents, now and future. All donations, large or small, are most welcome.

Checks may be made out to:

Here is America as it was. Anyone who admires the simplicity of classic colonial, red brick and white shutters, dappled shade on cobbled stones, white towers against a deep cloudless sky, white lighthouse on a gleaming beach surrounded by ultramarine sea, will drink his eyes full in Nantucket. Nowhere else on earth is there such a treat in these special patterns. Homeward bound, with the damper sea air cooling rapidly, you gratefully pull on the warm jacket that seemed so ridiculous that hot day as you

LEAGUE CHAMPS FOR 1970

Playing the same type of steady ball they  
showed in winning the first half, the Matta-  
poisett Mohawks also won the second half  
honors, eliminating any necessity of a play-  
off.

They combined steady pitching and fielding,  
matching it with timely hitting to finish the  
season with a total of 20 wins, 3 defeats and  
one tie game - 41 points out of a possible 48.

Their nearest competitors were the Matta-  
poisett Wanderers with a record of 15 wins  
and 8 losses - 30 points.

The Mohawks also reign as town champions,  
defeating the Wanderers in 3 out of 4 hard  
fought games.

The Wanderers gave the champs a real bat-  
tle Sunday as Mark Breton and Paul Empey  
locked horns in a beautiful pitching duel,  
with Mark and the Wanderers victorious 2  
to 1. Each pitcher allowed 3 hits.

With the completion of the season, the  
managers of the 7 teams each nominated 3  
boys from their rosters for the league all-  
star team.

Out of the total of 21 players nominated,  
the managers then voted for 15 players.

The 1970 all-star team is as follows:  
Steve Bump, Wareham Reds; Davidson,  
Wareham Blues; Bill McMahon and Marcel  
Martineau, Bourne Clippers; Butch Neilson  
and Ben Leary, Marion; George Diefenbach,  
Ed Gendron and Paul Sintoni, Bourne; Mark

## August at St. Philip's

The Rev. Craig Biddle III of The Church of the Annunciation, Oradell, New Jersey, will again be welcomed to Mattapoisett's St. Philip's Church (Episcopal) on Sunday, August 2nd to conduct services throughout that month. He and his family are expected to arrive on Friday.

It being the first Sunday of the month, Holy Communion will be celebrated twice, at both 8 A.M. which is customary and following the 10 o'clock service of morning prayer and sermon.

St. Philip's Church is located on the waterfront next to the bathing beach, where it has been a summer center of Episcopal worship for the community since before the turn of the century and to which worshippers in all faiths are invited. This will be the fourth visit of the Craig Biddle's. Both the rector and the artist, his wife, are

# A LETTER OF APPRECIATION

This July marks one year since JOE'S SUNOCO STATION opened for business in Mattapoissett. I would like to take this opportunity to say thank you to everyone who has come to me for gas or repair work. I particularly want my regular customers to know that I appreciate their continued patronage.

I know that the best way to keep my many friends coming back is to continue to provide good service. And, with our new, advanced equipment, I intend to do just that.

Thank you.

## Bandstand Donor Gifts

### FUND RAISING CAMPAIGN FOR BANDSTAND

The Mattapoissett Town Band Committee announces that the fund raising campaign for the building of the new bandstand is expected to be in full swing by August 1.

The appeal is out for sponsors, the faithful supporters of community projects effecting the betterment and the beauty of the town. It is felt that the new bandstand, appropriately, falls into the aforementioned category and should add much to our sea-shore scene as well as to the appearance of Shipyard Park.

The committee is happy to announce that sponsors, the contributors of a sum of \$10.00 or more, will receive a commemorative gift of appreciation. The numerous fund raising drives that occur during the year, naturally, place a burden of obligation on all of us. In view of this and notwithstanding the generosity of most people, this committee decided on the "token of appreciation" plan

Members of the committee have kept in mind that when the moment of completed construction and the acceptance of the building by the Board of Selectmen will have taken place, it will have added another page to the history of the Town. While the significance of the sponsor gifts is to commemorate the event, these may well be considered as prestige and historical items, as well.

The commemorative gifts include sets of 4 ceramic tiles depicting 3 familiar and beautiful scenes of the town. The 4th tile is a replica of the Town Seal. The sets will be presented to contributors of \$10.00 or more. With the contribution of \$35.00 or more, the sponsor will be presented with a fine walnut director chair. The seat and backrest will be of heavy duty royal blue canvas cloth. The backrest piece will bear a tri-color silkscreen imprint of the new bandstand. All money received is to help defray expenses of construction materials. Labor is to be donated by a crew of volunteers. All those interested in giving their share of labor should contact Mr. Bruce Rocha, Clerk of Construction, to add their names to the growing list of weekend paint-

#### CRESCENT BEACH RAMBLINGS

To paraphrase Winston Churchill - never has so much food been eaten by so many, prepared by so many, and served by so many, as was done at the annual pot-luck supper at Raymond Hall last Saturday.

I cannot name all the varied dishes (being a mere man and unversed in the culinary art), but it proves that there is a lot of talent among our Crescent Beach ladies in that field.

A good time was had by all, the biguns, the littleuns and the middleuns.

## Mattapoisett Yacht Club

The July Senior Series wound up its schedule Saturday, July 25th, with 25 boats competing in three classes.

John Ruel in Tiara was the first of the Handicap Class to finish, but the complete corrected time results are not as yet available.

The Corinthians listed Steve Ruel and Arthur Blackburn as the winners. For the Beetle Cats Susan McGowan and Harvey Pentleton took top honors.

In the first race of the Corinthian double-header, Steve Ruel's Lulu, making a good start, continued to increase its lead to place first. Although Norman Shachoy in Blue Chip was fourth over the line, he came in 8 seconds ahead of Blackburn's Lorelei.

A very close finish again characterized the second contest. Blackburn's Lorelei

win. The final line-up was Susan McGowan in Wolf first; Harvey Pentleton in Swamp Fox, second; and Brian Roderick's Pussy Kat, third.

The course for the second Beetle Cat race was a triangular one, starting at Ned's Point MYC guide buoy and proceeding to Sunken Ledge Black Can 5, to Mattapoisett Neck and finish.

Pentleton, again beginning with a first leg advantage, overstood the first marker, allowing the other boats to shorten the intervening distance. At Mattapoisett Neck

TAKE**

**TO LOVE  
YOUR  
ENEMY?**

Something more than  
human love.

Children enjoy the relevance of spiritually- based  
thinking like this. They're always welcome  
at our Sunday School.

**CHRISTIAN SCIENCE SUNDAY SCHOOL**  
**FIRST CHURCH OF CHRIST, SCIENTIST**  
County at Mill Street, New Bedford  
Sunday 9:30 A.M.

It takes a more spiritual  
look at yourself and  
the other fellow. An  
understanding that you  
both have the same  
Father-Mother, God.

It takes realizing that  
no man is your enemy.  
Your real enemy is evil -  
hate, envy, irritation,  
revenge. When these are  
overcome you find you  
have no enemy.

MYC guide buoy the fleet was less than a  
length astern. On the last leg (the down  
wind leg) John Ross in Happy Too moved  
ahead, but with a quick jibe just before  
the finishing line Swamp Fox became the  
eventual victor. Brian Roderick's Pussy  
Kat was third.

## YWCA Activities

The Y-Teen Service Corps, organized as  
a community service group, is planning a  
new program, "Project Friendly Visitor".  
Teens in this group will serve the communi-  
ty by providing companionship to the area's  
elderly in nursing homes. Co-chairmen for  
the group are Jonathan Pedersen and Doris  
Nesse. The idea began when Youthpower  
received a job order for companionship for  
an elderly lady and had none qualified to  
fill the job. Recognizing that 25% of the  
city's population is 65 years of age and  
over, and that many of these people are  
either lonely or physically handicapped,  
Youthpower and the Y-Teens decided that a  
"Friendly Visitor" program would not only  
provide a needed function but would also  
help bridge the generation gap with communi-  
cation. A training clinic dealing with the  
problems and needs of the elderly was given,  
enthusiasm was given by the teens and the  
planning of regular service began. Some of  
the areas involved in discussion and job  
expectations included conversations with  
the elderly, reading, playing games, doing  
errands and stimulating interests. The  
group's long range goal is to include a variety  
of community organizations in a continual ex-  
pansion drive for the program. The short range  
aim is to win a \$3,000 first prize in a com-
